Housing Sponsor Report Overview

The *2017 TDHCA Housing Sponsor Report – Reporting on December 31, 2016* (“HSR”) is intended to provide property and occupant profiles¹ for primarily multifamily properties with 20 or more units receiving assistance from the Texas Department of Housing and Community Affairs (“TDHCA” or the “Department”). The information from this report is used to comply with the reporting requirements of Tex. Gov’t Code §2306.072 and §2306.0724.

It should be noted that the information presented in this report represents the status of TDHCA assisted properties at a particular moment (December 31, 2016), not a cumulative total of households served within the year.

Map of TDHCA State Service Regions

Disclaimer: This map is not a survey product; boundaries, distances, and scale are approximate only.

Average Rent Analysis

The Average Rents listed in the HSR are a combination of the amount paid by the household, the amount of assistance received, and the utility allowance of the household.

The following table shows the highest average rents for each unit size by region as well as urban and rural subregion.

¹ Income data for households may not be current if recertification was not required for the program the household participated in.

Highest Average Rents by Unit Size (by Region and Subregion)

Unit Size	Urban	Rural	Total
Efficiency	Region 5 \$697.21	Region 5 \$788.00	Region 2 \$747.00
1 Bedroom	Region 7 \$789.80	Region 6 \$622.46	Region 7 \$772.15
2 Bedroom	Region 8 \$986.21	Region 9 \$861.94	Region 7 \$951.25
3 Bedroom	Region 7 \$1,136.64	Region 7 \$927.38	Region 7 \$1,126.04
4 Bedroom	Region 7 \$1,291.29	Region 7 \$1,040.58	Region 7 \$1,285.96
5 Bedroom	Region 7 \$1,369.00	N/A	Region 7 \$1,369.00
6 Bedroom	Region 13 \$1,184.00	N/A	Region 13 \$1,184.00

Region 7, the region containing the Austin-Round Rock MSA, is clearly shown to have higher average rents in several categories of unit types. This is in line with Region 7's high rate of housing cost burden reported in the *2018 State of Texas Low Income Housing Plan and Annual Report* ("SLIHP").

Many of the regions that appear to have high average rents are skewed by low numbers of units or a disproportionate distribution of units between urban and rural subregions. While the average rent for efficiency units in Region 2 rural counties is lower than average rent for Region 5 rural counties, Region 2 does not have any efficiency units in urban counties. Because rural rents are considerably higher than urban rents for efficiency units and Region 2 does not have an urban subregion average rent, Region 2's total average rent is the highest. In addition, there are low numbers of certain unit types in certain subregions; in particular efficiency units and units with five or six bedrooms. For example, there are only seven efficiency units in Region 2, there is only one unit with five bedrooms in Region 7, and Region 13 only has two six bedroom units—but Region 13 is the only region with any six bedroom units. Five and six bedroom units are only found in urban counties and only 1.1% of the State's 3,605 efficiency units are found in rural counties.

The following table shows the lowest average rents for each unit size by region as well as urban and rural subregion.

Lowest Average Rents by Unit Size (by Region and Subregion)

Unit Size	Urban	Rural	Total
Efficiency	Region 11 \$388.51	Region 7 \$306.25	Region 11 \$388.51
1 Bedroom	Region 13 \$546.65	Region 4 \$536.84	Region 13 \$547.91
2 Bedroom	Region 13 \$662.00	Region 11 \$625.24	Region 13 \$661.51
3 Bedroom	Region 11 \$768.96	Region 13 \$696.00	Region 11 \$766.53
4 Bedroom	Region 11 \$894.62	Region 11 \$809.65	Region 2 \$867.55
5 Bedroom	Region 3 \$575.63	N/A	Region 3 \$575.63
6 Bedroom	Region 13 \$1,184.00	N/A	Region 13 \$1,184.00

Region 11, the region containing the Brownsville-Harlingen, Laredo, and McAllen-Edinburg-Mission MSAs, has the lowest average rents for several unit types. Region 13, the region containing the El Paso MSA, also appears multiple times. Region 11 and Region 13 contain the majority of Texas' border counties and have the highest percentages of residents in the lowest income categories compared to other TDHCA state service regions, as reported in the 2018 SLIHP. Region 11 in particular also has a higher rate of households experiencing overcrowding. This overcrowding in combination with low rents may keep housing cost burden in these regions low, despite high rates of poverty. The low rural average rent for efficiency units in Region 7 reinforces that affordability issues in Region 7 are more pronounced in the urban counties containing the Austin-Round Rock MSA (the only MSA in Region 7).

Many of the regions that appear to have low average rents are skewed by low numbers of units or a disproportionate distribution of units between urban and rural subregions. For example, efficiency units tend to have lower average rents in urban counties. Region 11 does not have any efficiency units in rural counties, so the lower urban average rent stands as the total average rent for Region 11. In addition, because Region 13 is the only region with six bedroom units, six bedroom units in Region 13 have both the highest and lowest average rent among all regions. Low numbers of units may skew average rents, especially if the few units in that subregion have particularly high or low rents. There are only eight efficiency units in the rural counties of Region 7 compared to 945 efficiency units in urban counties. The average rent for rural counties in Region 7 is less than half the next lowest average rent, \$745.30 in Region 6. Region 13 may experience a similar issue as 97.7% of all units in Region 13 are located in urban El Paso County.

The vast majority of total reported, occupied TDHCA-monitored units (91.6%) were located in MSA counties per U.S. Census Bureau Office of Management and Budget definitions. Some unit types are more likely to be located in MSA counties than others; 99.1% of efficiency units and 100.0% of five and six bedroom units are located in MSAs. Looking at the average rent of MSAs can be useful in observing the particular trends and issues of smaller, more concentrated areas than regions or subregions. The following table shows the highest and lowest average rents for each unit size by MSA.

Highest and Lowest Average Rents by Unit Size (by MSA)

Unit Size	Lowest Average Rent MSA	Highest Average Rent MSA
Efficiency	Brownsville-Harlingen \$279.41	Beaumont-Port Arthur \$697.21
1 Bedroom	Texarkana \$538.65	Austin-Round Rock \$787.18
2 Bedroom	Texarkana \$639.11	Killeen-Temple \$1,201.77
3 Bedroom	Texarkana \$725.83	Austin-Round Rock \$1,136.66
4 Bedroom	Texarkana \$703.67	Austin-Round Rock \$1,289.55
5 Bedroom	Dallas-Fort Worth-Arlington \$575.63	Austin-Round Rock \$1,369.00
6 Bedroom	El Paso \$1,184.00	El Paso \$1,184.00

The Austin-Round Rock MSA (consisting of Bastrop, Caldwell, Hays, Travis, and Williamson counties) has consistently high average rents compared to other MSAs. In addition to having the highest average rent for the unit types listed in the table, the Austin-Round Rock MSA also has the second highest average rent for two bedroom units. This is in line with regional and subregional data for average rents and findings in the 2018 SLIHP regarding housing cost burden.

The spike for two bedroom units in the Killeen-Temple MSA (consisting of Bell, Coryell, and Lampasas counties) can be attributed to a high average rent in Bell County. The average rent is \$1,329.10 in Bell

County while other Killeen-Temple MSA counties' average rents range from \$653.74 to \$708.85. This spike led to a high average rent for Region 2 urban counties.

The Texarkana MSA (consisting of Bowie County alone) repeatedly appears as the MSA with the lowest average rent. Other MSAs in Region 4, Longview and Tyler, have slightly higher average rents and help raise the overall regional average rent. Region 4 also has the lowest percentage of units located in an MSA of any region (51.5%), so average rents in non-MSA counties of Region 4 may be higher than in other regions and bring up overall regional average rents.

The Brownsville MSA (consisting of Cameron County alone) has the lowest average rents for efficiency units and the second lowest average rents for one bedroom units. The El Paso MSA (consisting of El Paso and Hudspeth counties) has the second lowest average rents for efficiency, two bedroom, and five bedroom units. The Brownsville MSA, located in Region 11, and the El Paso MSA, located in Region 13, are in areas that generally have low average rents, high poverty, and high rates of overcrowding.

Dallas County is the only county in the Dallas-Fort Worth-Arlington MSA with five bedroom units.

Fair Housing

TDHCA is required to report whether or not the Department has been notified of a violation of fair housing law filed with the US Department of Housing and Urban Development, the Commission on Human Rights, or the US Department of Justice. Each property is required to disclose in the Annual Owner's Compliance Report whether or not HUD or an equivalent fair housing agency or a federal court find that the development violated the Fair Housing Act. This is noted with a response of "Y" or "N" to the question "Any Fair Housing Findings" in the 'Questions' field of the HSR. Zero TDHCA-monitored properties reported fair housing violations in 2016.

In addition, the Department is notified of fair housing complaints processed by the Texas Workforce Commission ("TWC"). Whether or not the TWC processed a fair housing complaint in regards to a specific property is indicated in the 'Questions' field of the HSR. The outcome of the complaint is also listed. The possible outcomes and definitions of those outcomes are as follows:

- **No cause:** The case lack sufficient evidence of reasonable cause for discrimination.
- **Complaint withdrawn:** The complainant has voluntarily requested and received a halt in the processing of the housing complaint.
- **Conciliation:** The successful resolution of issues raised by a complaint that was determined through informal negotiations involving the aggrieved person, the respondent, and the Fair Housing Assistance Program or HUD.
- **FHAP judicial consent order:** The voluntary agreement that resolves a complaint that was submitted to the independent fact finder and signed by all parties.

36 TDHCA-monitored properties were the subject of fair housing complaints filed through the TWC in 2016. Over half (57.5%) of the 40 complaints ended in conciliation and just under a third (30.0%) were found to have no cause.
