

## Neighborhood Organizations on Record with the Texas Department of Housing and Community Affairs

Below is a list of neighborhood organizations that have requested to be on record with the Texas Department of Housing and Community Affairs (the "Department") as of the beginning of the Application Acceptance period as defined in §10.3(a)(7) of the 2015 Uniform Multifamily Rules and §11.2 of the Qualified Allocation Plan ("QAP"). Pursuant to §11.8(b)(2) of the QAP, Applicants are required to notify any neighborhood organizations on record with the county or state (which includes the Department) and whose boundaries include the Development Site as of the beginning of the Application Acceptance Period. While the organizations below are required to be notified pursuant to the Rules, the organizations listed below have not been reviewed with respect to eligibility to submit statements that would qualify an application for points.
